## Welcome

*A warm welcome to everyone at already the 11<sup>th</sup> annual conference of IMISCOE. In the heat of the Spanish summer, one of Europe's most diverse cities provides an excellent place for a conference on migration, integration and social cohesion. We kindly thank the IUEM institute of Comillas University in Madrid for hosting the conference, and providing great facilities and excellent venues for the different conference sessions.*

*This year, 2014, marks another special year in the development of the IMISCOE Research Network. The coordination of the network has moved to Erasmus University Rotterdam, with new coordinators (Maurice Crul and Peter Scholten) and a new network office (Cees Jochemsen, Warda Belabas and Karin Milovanovic). This coincides with many exciting developments in the network, such as the inclusion of a number of new member institutes, cooperation with a new publisher, association with the journal CMS, a new website and the launch of IMISCOE on social media.*

*This 2014 conference will reveal several new features of IMISCOE conferences for the years to come. This includes the use of a web-based platform for proposals, registration and conference papers, but also a more differentiated program of the conference with research panels, book workshops, policy workshops and panels for specific IMISCOE research groups and Standing Committees.*

*We wish you all the best during the Madrid conference. This conference is already special because it received the largest number of proposals ever for an IMISCOE conference. The selection, done by the international Conference Committee, was particularly challenging. We are confident that this conference will prove to be an excellent successor to earlier conferences in Coimbra (2004), Osnabruck (2005), Vienna (2006), Sussex (2007), Bilbao (2008), Stockholm (2009), Liege (2010), Warsaw (2011), Amsterdam (2012) and Malmo (2013). We look forward to seeing you all again next year, when the conference will be organized by SFM in Geneva or Lausanne.*

*A special word of thanks to the Spanish Conference Committee, in particular Prof.dr. Joaquín Eguren, Dr. Mercedes Fernández, Dr. Jose Manuel Aparicio and Juncal Fernández-Garayzábal. Also, many thanks to the international members of the Conference Committee, who have been of great help in the laborious work of reviewing proposals: Ferruccio Pastore, Helga de Valk and Gianni D'Amato. Finally, we thank the new network officers (Cees Jochemsen, Warda Belabas and Karin Milovanovic) for their excellent performance in the organization of their first IMISCOE conference.*

*Coordinators of IMISCOE,*

*Maurice Crul & Peter Scholten*

## Conference Information

### Preliminary program

This document contains the preliminary program of the 11<sup>th</sup> IMISCOE annual conference, to be held in Madrid at Universidad Pontificia Comillas, 27-29 August 2014. Please mind that this is not the final program and that changes to the program are still possible; a final program will be distributed a month ahead of the conference.

For information on the conference venue and on travel and accommodation recommendations, please visit [www.imiscoe.org](http://www.imiscoe.org) and then click on 'conferences'. You can also follow news on the IMISCOE network via social media @IMISCOE, or the IMISCOE website. For any questions or comments regarding the conference or regarding the program, please mail [imiscoe.2014.conference@upcomillas.es](mailto:imiscoe.2014.conference@upcomillas.es)
