

## Safe Space Rules for IMISCOE events

- Our event is a discrimination-free and harassment-free zone.
- We respect and listen to everyone.
- We do not make assumptions about people's gender, sexuality, nationality/ethnicity/race, religion or any personal matters.
- We present our views as our own thoughts and try not to speak on behalf of anyone else.
- We are open to new perspectives and to discussing with everyone.
- We try to contribute to a positive and respectful atmosphere in the discussion.
- If we disagree with someone, we try to raise the matter in a constructive, respectful and friendly manner.
- If the situation feels uncomfortable, we raise the issue, for example, by informing the workshop chairs or the conference organizers.
- If you have any suggestions, concerns or questions, please contact Anita Borch at [anita.borch@oslomet.no](mailto:anita.borch@oslomet.no).
